WEEK 3

Dragons and Warriors

The children have had a great week. They have been continuing their learning on the Stone Age and Inventions which changed the way we can share information.

Swallow Class thoroughly enjoyed the film 'How to Train Your Dragon' which they saw as part of the Into Film Festival.

We all had the opportunity to have rugby coaching by Wigan Warriors through our work with Lancaster and Heysham Sports Network, and we thoroughly enjoyed it.

Our Gingerbread House

Our Gingerbread House is finished and it is magnificient!

We are so proud of Year 6 and Miss Riley for all their careful attention to detail in what has been an EPIC build.

The Gingerbread Festival is on over the weekend at the **Low Wood Hotel, Ambleside.**

It is a competition and if I was a judge- I would definitely say ours is the winner!

SIP Parent's Meeting

Thank you to those who attended the meeting.

Here are the priorities for this year

- Improve the consistency and effectiveness of phonics teaching
- Strengthen the teaching of basic skills and early reading and writing to improve the outcomes of children.
- Improve the learning behaviour of children throughout school.
- To strengthen the quality of RE teaching to improve outcomes for all.

I have had a follow-up call with OFSTED this week and we are in a 2 year monitoring partnership, so that when they return in 2028, we can change the outcomes to expected.

If you would like to talk in more detail about this, then pop in for a chat.

Birthdays being days away, sleepovers, drinking pop, swimming, meeting the Gladiators and bringing photographic evidence, and singing for the King at Lancaster Castle.

Wishing Miss Scott a very **Happy Birthday**

Times for After School Club

Monday-Wednesday After School Club finishes at **6pm**

Thursday and Friday it finishes at **4:30pm**

More and more people are picking up late from these clubs.

If you have a problem with the times, let us know and we can try to help.
