
Dreaming of Gingerbread

We are delighted to share that we came **'Runner-up'** in the Primary School section of the Gingerbread House Competition and recieved an amazing £200 book voucher.

I was so unbelievably proud of the entry put together by George, James, Locke, Ted, Ambre, Alison and Miss Riley.

As our saying goes 'We may be small but we are truly mighty and WE can achieve great things together!'

JOY

Wobbly teeth, new puppy, putting up the Christmas tree, going to see the sparkly lights, ice-skating, birthdays and grading for taekwondo.

Happy 9th Birthday Joseph

Sending lots of love to Ms Gray and her partner Dave in their new home.
