Message from Mrs Gale

Another week comes to an end and the children in school have been busy. The Christmas card designs are now off for production and the Reception children have had their photographs taken for the local news. Miss Riley is busy collecting prizes for the school auction, which will take place in November and the school hens are now laying. I hope you have all had a good week and the local Lockdown has not resulted in too many changes in your lives.

Thank you to everyone for the Harvest contributions, Mrs Brown will be dropping these off at The Olive Branch at the start of next week. Thank you also to everyone who watched Father Robins Harvest service on Sunday, this can still be accessed using this link <https://youtu.be/2wZMKVUuEuw> During the service Robin Class perform their Harvest 'not singing' song and Catherine and Zoe from The Worship Team read prayers.

Next week, a letter will be sent to all families from the school's Friends Association (PTA). Over the last couple of years, the membership has dwindled. Following the recent pandemic situation, a lot of avenues for fundraising have closed and we now need to put our heads (virtually) together and come up with a plan to ensure that the money doesn't run dry and impacts on the cost of some of the additional activities and enrichment that takes place in school.

Friends are the siblings God never gave us. – Jean de la Fontaine

Have a restful weekend, enjoy the good weather on Sunday.

Mrs Katrina Gale

Happy Birthday to Maisie in Swallow Class who will be celebrating her birthday this weekend and Mrs Beswetherick whose special day is at the start of next week.
