

13th May 2022

Dear Parents and Carers,

It is Friday and I know that Year 6 will be happy that the day is finally here and SATs are out of the way. I am so proud of the positive attitude that all the children demonstrated and the fact that they worked so hard and persevered with all the tasks set. They can now relax and enjoy the rest of the term at Yealand before they head off to Secondary school.

A BIG thank you to Mr Garry who came into school on Wednesday along with Hermione the tortoise, and Sammy the snake. Robin Class and Little Owls had an amazing time holding the different animals brought into school including a cockroach and a giant African snail. What a fabulous group of children, and willing to try new things. The visit was linked to the Robin's Science work this half term and also their work in Geography, looking at Kenya and other African countries.

Thank you for the plant pots, we are now ready to 'crack' on with the wall of sunflowers. Keep a look out for the seedlings and hopefully beautiful giant sunflowers.

We are all looking forward to next Wednesday when Mrs Beswetherick will lead the family Forest School session. The event starts at 2pm, please ensure you are dressed for the weather. There will be signs for you follow to make your way up to the site but hopefully you will all see parents making their way up the hill towards the woods opposite the school. Fingers crossed for good weather.

I hope you all have a good weekend,

Katrina Gale

Best wishes to Edward who is celebrating his birthday this weekend.
We hope you have a lovely day.

Diary Dates

Date	Class	Activity	Items Required
18/5/2022	All	Forest school family session 2-4pm	Please see letter—please return slips by Monday 16th May
	Swallows	Swimming	Goggles if required
