## From the Vicar

---

*“But we have this treasure in jars of clay, to show that the surpassing power belongs to God and not to us.”*

2 Corinthians 4:7

This image from Paul’s 2nd letter to the Corinthians echoes the imagery in Jeremiah of God as the Potter, moulding and shaping pots of clay. Paul uses this idea as a way of bringing both a sense of beauty and a sense of humility to the human condition: if we are treasure in clay jars then God has made us beautifully and truly delights in us, but we are also fragile, created beings, whose identity and strength is found in the unfailing love and power of Christ.

The absolute best part of being a Vicar is fulfilling my promises to love and serve the whole people of God in this place at this time. I am so encouraged and inspired by those who I meet, and it is truly joyful uncovering such richness and variety in the very many giftings God has given to those in our community. Over the past few weeks I have undertaken a Surely across the Benefice and I would like to thank everyone who has responded.

After Easter I will begin the task of rethinking our shared ministry together, ensuring that the gifts God has given us are used wisely, that those who are committed to serve are not overburdened or under resourced, and that we make space for all, and especially newer members of our communities, to be involved in using their gifts in the service of God and his people.

As we remember that we are God's Easter people, called to live in the light and hope of the Resurrection, we can have our trust and confidence renewed and together discern the new pattern of ministry that God is forming and shaping us for. Thank you for being a part of this beautiful community. I truly thank God for you each and every day.

Alice

20 Apr | 18 May | 15 Jun | 20 Jul | 21 Sep | 19 Oct | 16 Nov

The number of unpaid carers across the UK was recently estimated at 5.7 million. Certainly, it is our experience that many of us have been caring for a family member either at home or by going to their home regularly. By meeting together there's support when issues seem relentless and sharing the 'nuggets' of what helps gained through experience or from other organisations who support carers. It's also time out to relax, find company and laugh together.

All welcome and some lovely free refreshments at both meetings.

CFM Community Centre, Kellet Road, Carnforth LA5 9LR

Level parking at the back of the Centre.

## From our Churches

---

Moving forward into April we see that Spring is now more advanced.

In the local woods the song of the chiff-chaff can be heard clearly along with some early butterflies fluttering in the breeze. On the Crag bluebells and primroses are also starting to appear.

We are now in the season of Easter having just journeyed through Holy Week at the end of last month when we paused to reflect on the events leading up to Jesus's death on Good Friday and then celebrated His glorious resurrection on Easter Sunday.

In Warton as well as the usual events and services for Easter week, Christians from both Churches took part in the annual walk of witness from St Oswald's to the top of the Crag as a reminder to all of Jesus's final walk to Golgotha - the site of His crucifixion. This year after leaving the cross on the Crag we then returned to the village to enjoy hot cross buns and refreshments at St Oswald's. This is always a popular event and a great opportunity for all who come to enjoy fellowship together.

On Palm Sunday we also held our Messy Church event for local families "Messy Easter" when through a range of crafts and other fun activities we looked at the whole of the Easter Story.

Other events and news:

Little Stars our popular Babies and Toddler group which normally meets on Thursday mornings is enjoying a short break over the Easter Holidays. It will recommence on Thursday April 18th April and is a great place for all families to meet up and make lasting friendship's

Our Sunday morning services are held every week at 10am where you will always experience a warm welcome. We also hold regular weekly prayer meetings. If you need any further information about our Church activities, please contact our minister Rev Emma Holroyd on 01524 941226 or Mrs Rosie Marsh on 07710916091.

## **Easter Prayer**

Lord we lift our hearts to you.

As the dawn breaks, may we carry the unity we share into every moment knowing that we are one with the risen Christ. Lord, we lift our eyes to you.

As the sun rises, may this moment stay with us, reminding us to look for the beautiful colours of promise in your word. Lord, we lift our prayers to you.

As the dew air falls, may we breathe this morning in and know that like the earth, you sustain us, keep us and work within us always.

And so, we lift our voices to you. We celebrate the greatest day in history, when Jesus rose from death, defeated darkness and bathed the world in stunning resurrection light. May we ever live to praise you!

Amen.

## Gardening

---

“I wandered lonely as a cloud that floats on high o’er vales and hills, when all at once I saw a crowd, a host, of golden daffodils.....” (William Wordsworth 1770-1850)

William wrote this poem in April 1804 inspired by a walk with Dorothy, some 222 years ago, on the shores of Ullswater at Glencoyne Bay.

As I write this, in early March, the *Narcissus Pseudonarcissus* is in full bloom. February 2024 recorded the highest rainfall & temperature in parts of England, since records began in 1836.....when William, Mary & Dorothy were walking yonder hills. Is this yet another sign of global warming?

Finally British Summer Time has arrived, with lighter nights and the garden really coming to life. Seed packets whisper “sow, sow, sow”. Here are some ideas for flowers and vegetables you might like to try sowing this month. Now is a good time to start thinking about wildflower mixes, adding in those saved seeds from last Autumn such as Ammi, Daucus, Nigella and Californian poppies. Mix seed with silver sand to give a better broadcast. Poor soil and full sun will work best for wild flowers but do remember to water. Cosmos Purity and Dazzler, Zinnias, Sunflowers, Nicotiana, Tithonia (Mexican Sunflower with fluorescent orange flowers) all have a special place in the garden. Start these under glass for the promise of a glorious display from July onwards, with plenty to gather as a sensational bouquet for a friend. Dried flowers have seen a revival, some of our suggestions to try, from seed, being Helichrysums, Callistephus, Scabious Sternkugel & Honesty, all great for pollinators and the Planet. Take time to plan and think about plant combinations & colour themes, to turn a “nice garden” into a “work of art”.

Top of the vegetable list comes Sweetcorn (Lark & Swift always perform well). Start them off inside or under glass, being careful to spot any mice who may be pilfering the seed! You will be eating your first delicious cobs by the end of August. French Beans and Courgettes are firm favourites; why not try Cosse Violette Climbing French Bean growing up Hazel supports or a yellow Courgette, Shooting Star. These are guaranteed to add flavour and colour to your plate. The Brassica family can be sown now; Calabrese Green Magic performs well, providing repeat florets for many weeks. Sow salad crops including rocket and micro greens along with fresh herbs (with a little helping hand from heat) to enjoy tasty fresh salads as a welcome accompaniment to “al fresco” dining.

Remove spreading “thugs” such as *Lysimachia*; there is always an excuse to find space for new perennials, bought locally and grown by a specialist nursery. If your Dahlias have started to sprout, they can now be potted up or planted out, towards early May, being sure to give some protection from frost.

Finally, why not become a Community Scientist by joining a bumblebee survey. Such are the challenges facing our bumblebee population; habitat loss, pesticides and climate change, that The Bumblebee Conservation Trust and RHS have teamed up to conduct surveys until 31 May [www.rhs.org.uk/science/help-our-research/bumbles-on-blooms](http://www.rhs.org.uk/science/help-our-research/bumbles-on-blooms).

With thanks for contributions from garden owners who open for the Warton Village NGS Group, along with 3,500 gardens throughout England & Wales ([ngs.org.uk](http://ngs.org.uk))

## From our schools

### **The last few weeks have been very busy in school.**

Swallow Class are learning about invaders and settlers in their theme 'Get Off My Land!' They have been working through their History timeline from recapping their knowledge on the Stone Age and Romans, before moving onto to the Anglo Saxons and Vikings.

We will welcome a History workshop group in the next few weeks who will be bringing artefacts and making History come alive for the children.

Robin and Little Owl's class have been discovering the wonderful world of Beatrix Potter and her impact on the Lake District. They have been writing stories and learning about British wildlife and plants in their Science and water-colouring these in Art. In the next few weeks, the children will be visiting the Beatrix Potter Exhibition in the Lake District and in the afternoon they will be water-colouring a mountain view from the lakeside.

Our Year 5 children have recently been on a sailing trip on Killington Lake, which was organised by St. John's, Silverdale school. This was a wonderful opportunity for our children to take part in an exciting adventurous activity, while meeting new friends too.

We had a wonderful jumble sale event and raised £542.75 which will go towards costs of running our vital school minibus.

We are preparing for exciting Easter events in school and would like to invite you to our Forest School Easter Reflection on Wednesday 20th March 2024 at 2pm (If you are unsure of where our Forest School site is, there will be a walking bus leaving from school at 1:45pm.) We will also be having an Easter trail around the village and entries can be purchased from the school office.

I would like to take this opportunity to thank everyone who has helped out school in last term. It is so much appreciated.

I would also like to wish you a very Happy and Peaceful Easter.

Warmest Wishes Mrs Brown (Acting Headteacher)

**There has been lots going on in school this last half-term :  
lots of exciting trips, sporting activities and Science!**

Science week was a great success last year and this year was even better. Class 1 kicked off their Science theme by planting beans and painting daffodils. They also explored sound waves and rhythm. Mrs Barclay brought her electric drums to school and Class 1 played them and Mrs Barclay led a drumming and rhythm session.

As part of their work on the book *The Owl who was afraid of the dark*, Class 2 have been painting with light. Working against a black backdrop, they made pictures by moving their lights around. They have also had fun racing cars they made in DT. Working in pairs they learnt about how wheels and axels work. They also learnt about how a car needs thrust to move. The children made decisions thinking about the materials used to make the cars. After their super car races, Class 2 continued their DT work, looking at Axels and Wheels. Working in groups, with lots of help from parents, they created some superb Ferris Wheels.

This year, Class 1 and 2 have been thinking about different types of flight. Class 1 have learnt about the Apollo astronauts travelling to the moon and Class 2 have learnt all about the Wright Brothers and their experiments with flight. They had a fabulous day out at the Air Museum in Carlisle to see some real aeroplanes close up.

Class 3 have been studying Owls and other birds. They have learnt what they have in common but also what makes them different to each other. They have used their knowledge to design birds of their own and had a day at Leighton Moss to finish off their topic.

Class 4 have been looking at the human life cycle in some of their Science Week sessions. They made Teabag Babies - cardboard babies with a tea bag attached to the back of the head and the chest. They had to keep the baby safe and dry all week. They even had to bring the babies in to the Class 4 Baby Club every day!

Some older children took part in the final of the Lancashire School's Indoor Athletics this half term. They travelled by coach to Blackpool and competed with 12 other schools. They were a great team and represented us brilliantly.

We had a fun day on Red Nose Day as usual – Wild hair, clothes back to front, underpants on heads, etc and over £100 raised for Comic Relief.

**Archbishop Hutton's Primary School wishes you a Happy Easter**

## Supporting our churches financially

Like all churches, we rely on the generosity of our congregations and our communities to support our mission and ministry.

We are extremely grateful for the many people who give regularly to Church by standing order, by weekly envelope or by cash donation when attending a church service.

Over 4,000 shops and sites will donate when you use easyfundraising® to shop with them – at no extra cost to yourself!

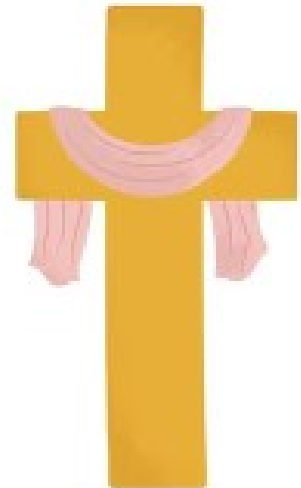

These donations really mount up and make a big difference, so we'd really appreciate it if you could take a moment to sign up and support us. It's completely free and only takes a moment.

### A prayer for those in need

Merciful God, be near to those who are troubled with sickness or other need; in the power of your love, bring relief from present suffering and the return of health, that being made whole in body mind and spirit, they may give thanks again for the gift of life.

Be with all who work for healing, especially those who care for the sick and those in need with professional skill and loving care. Bless them with patience and compassion in their work and grant that in due time they will share in thanks for health and life restored.

### A prayer for those who mourn

May you be held by the God of compassion as you remember your loved ones today. May God be with you in your sorrow, and comfort you in your loss. May your God, your family and your friends, give you strength and confidence. May your spirit be lifted, may your heart be filled with peace, and may the light of God's promise fill you with joy and hope. Amen.
