

23rd July 2024

Dear Parents and Carers,

What a way to end a wonderful year at Yealand Church of England Primary School! There has been so much to celebrate and be thankful for.

I would like to take this opportunity to send my best wishes to those children who are leaving school this year for their exciting adventures ahead.

Thank you to all for your continued support, patience and care as I get to grips with leading our school. I hope you all have an amazing summer.

We will be in school ad hoc over the summer but if you need us urgently then please use the Remind app and someone will make contact with you.

**See you all on Thursday 5th September.**

Warmest Wishes

Mrs Brown

**It may be the holidays but there are still birthdays to celebrate! Wishing Isla, Dougie, Beth and Alma a wonderful birthday xx**
