

WEEK 3

27th September 2024

At the start of September all classes started to use a new English resource called 'The Literacy Tree' which uses wonderful storybooks to engage the children into a world of imagination, creativity and supports both their writing and reading skills.

In Robins they have been using the text 'So Much' which is about a baby waiting for his family to arrive to have a big birthday celebration.

From this story the children have written amazing stories about a party they would like to enjoy.

In Swallow class, they have been using the picture book 'The Varmints.' These little creatures live with no light and where nothing grows, until one Varmint grows a seed and the world around them changes.

The children have been writing instructions and using the text to inspire science work on pollination and they are growing and nurturing their own seeds too.

In one month, we have seen a great improvement in skills. If you would like to see you child's work- just come in and ask.

Tuesday 8th September at 5pm. We are holding an open meeting to discuss the vision for the future of our lovely school. Hope you can make it!

MACMILLAN COFFEE AND CAKE GALORE

Sending a MASSIVE thank you to all who baked and bought cake today in support of the MacMillan Coffee Morning

Kath Kenyon, who is a member of the WI in Yealand had a tricky job to choose a winner who will be revealed in due course.

Save the Date: Wednesday 9th October 2-4pm There is an open WI meeting with the Grasmere Gingerbread shop. You can buy goodies too.

BIRTHDAYS

Our wonderful Cora turned 4 this week.

Lots of birthday wishes for your special day.

4

Warmest Wishes, Kathryn Brown
