

Mission Statement

We are a small and mighty school which sits side-by-side with St. John's Church at the heart of our community.

Surrounded by God's beauty, we learn to grow and then flourish as individuals within a loving school family.

We encourage individuals to use their gifts from God to inspire others and together make our world a better place. Loved by God, we believe we can all achieve great things.

'Let all that you do be done in love.'
