

WEEK 2

Thank You

We've had the most magical first full week in school.

A huge thank you to all who helped to keep Mrs Berry's birthday party a surprise- we did such a good job but it was so tricky!!

We celebrated in true Yealand style dressed up, working together and eating cake along the way.

Swallow class had an Imagineering task to design and make a theme park rollercoaster. The four designs created are incredible. We are so impressed with their engineering, designing and making skills.

Robins have hidden Pascals all over the classroom to practise their camouflage skills.

Both classes went to the Westmorland Show this year and had an amazing time AND the weather was so kind to them all.

JOY

Dressing up days, parties, going to the vets, petting a friend's cat, eating cake, receiving a new golden toothbrush, Miss Redman's return.

Mourholme History Society Weekend

I had a wonderful weekend welcoming people into school to share our historical log books, registers and photographs.

We had 77 visitors over the two days. Some of them were in their 90s and remembered so much about their time in school.

One talked about walking in her wellies from Tewitfield Lock everyday and another about being in trouble if they didn't come in before the second bell from playing on the field opposite school.

From talking with everyone there was a real sense of how important our school is within the community and how it has always been a family. I feel very lucky to be a small part of our BIG history.

Monday 28th September 3:15pm
Friends Meeting

Diary Dates
