

Rest and Recuperate

Well done to everyone for an absolutely amazing start to the year.

In 8 weeks, we have crammed in so much learning in the classrooms and outside too.

From fungi finding, wildflower planting, Westmorland Show visits to all the animals who have come into school as well as our whole school Science work—it has been a blast!

We are all so proud of the way you have started in your new year groups. Each one of you has shone bright and the love and care you have shown for each other, our school and our community has been inspiring to us all.

We have had the most wonderful response to our smile box deliveries. We will definitely be continuing this next half term too.

A big shout out to all staff for all that they do and surviving a second inspection in 10 working weeks! We will share news of our SIAMs report as soon as we can. 😊

Harvest Thanks

A big thank you for all the food donations made for our Harvest Festival.

We had a great worship last Friday led by the children, who shared all the work they have been doing and we did the Harvest Samba too.

The donations will be taken to the Olive Branch during the holiday.

The children were so excited to share all the items they had bought at the token shop this week in joy.

We also shared news on holidays, Grandma's visiting, birthdays, new babies, 'Mossie's 2nd birthday' (if you know, you know!) and the excitement of bringing dogs and Trevor the Venus Fly Trap into school.

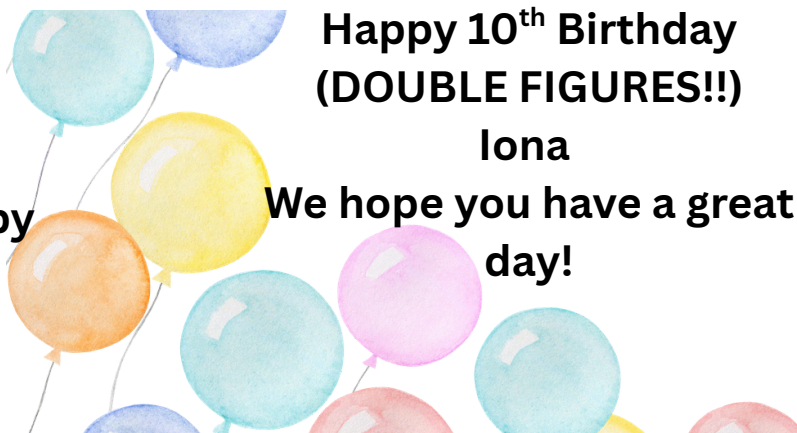

A great big Yealand welcome to baby **Millie**, who was born last Friday. Lots of love to her big brothers James, Ollie and Jaxon.

Happy 10th Birthday (DOUBLE FIGURES!!)

Iona

We hope you have a great day!

There is still time to help Ambre raise money to support a child this Harvest.

She is still making bracelets and earrings to sell for this amazing cause.
